4WD AUTO 44 km

H L C H

The central display shows a top-down view of the vehicle with tire pressure bars for each tire, all set at 3.0 bar. Below this, the gear selector is in 'P' (Park) mode, and the 4WD system is in '4WD AUTO' mode. The odometer shows 44 km. On the left, there are icons for fuel, menu, and other vehicle functions. On the right, there is a lane assist icon.

The interface features a central 2x2 grid of seat icons. The top-left seat is highlighted in black, indicating it is selected. The top-right seat is highlighted in grey. Below the grid are two vertical sliders, one red on the left and one blue on the right, for adjusting temperature. Below the sliders are icons for Heat and Vent for both front seats. At the bottom, there are buttons for Max A/C, A/C (highlighted), Front, and Rear. A Sync section includes Off, a fan speed selector (1-7), and Auto. A bottom navigation bar contains icons for Nav, Home, Media, Comfort (highlighted), Phone, Vehicle, and Apps.

The interface displays a 2x2 grid of seat icons representing different zones. The top-left icon shows a seat with a fan and a blue arrow, indicating cooling. The top-right icon shows a seat with a fan and a red arrow, indicating heating. The bottom-left icon shows a seat with a fan and a blue arrow, indicating cooling. The bottom-right icon shows a seat with a fan and a red arrow, indicating heating. Below the grid are two vertical sliders for fan speed, one on the left and one on the right. At the bottom of the grid are icons for heating (red flame) and cooling (blue fan) for both front and rear seats, with Arabic labels: تسخين (Heating) and تبريد (Cooling).
